1.0 Introduction

This user manual is made to guide users to navigate the DreamBound Bookstore System. The purpose of this document is to ensure a seamless user experience by offering step-by-step instructions, clear visual aids and a detailed walkthrough of all system functionalities. Whether the user is a customer looking to purchase their next book or an administrator managing bookstore operations, this manual serves as the absolute reference point.

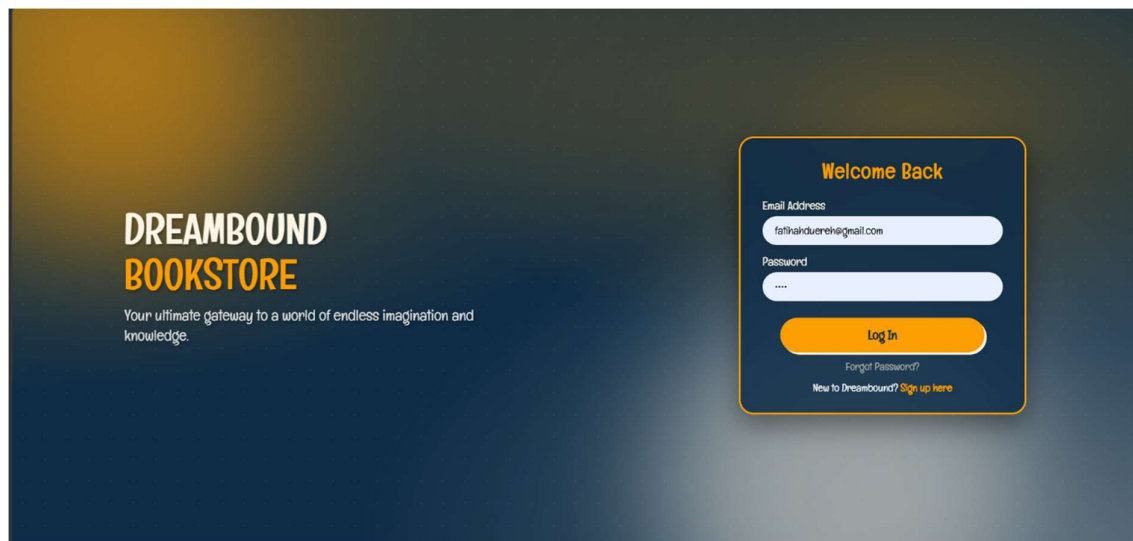

2.0 User Manual (Authentication)

2.1 Log in

1. Go to the login page.
2. Type your registered email and password.
3. Click Login.

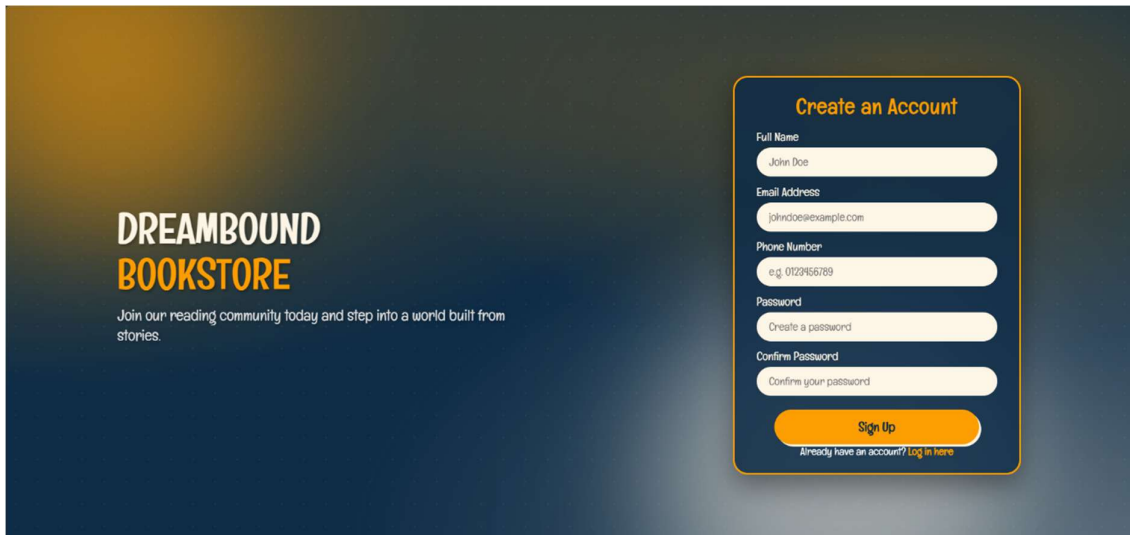

Upon successful login, customers will be redirected to the homepage to browse available books, while administrators will be redirected to the Admin Dashboard.

2.2 Sign in (customer)

1. On the login page, click "Sign Up" or "Register".
2. Fill in your full name, email address, phone number, and a password.
3. Type your password again in the "Confirm Password" box to make sure it matches.
4. Click the Register button.

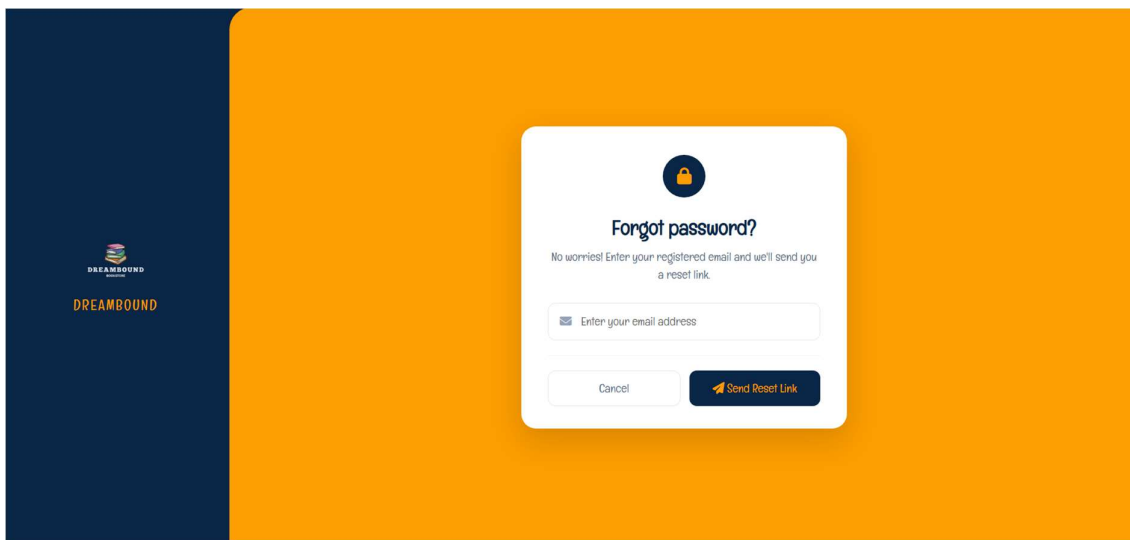

You will see a message showing your new Customer ID, and you will be automatically logged in and taken to the homepage.

The screenshot shows the 'Create an Account' form on the Dreambound Bookstore website. The form is titled 'Create an Account' and includes fields for 'Full Name', 'Email Address', 'Phone Number', 'Password', and 'Confirm Password'. Below the fields is a 'Sign Up' button and a link for 'Already have an account? Log in here'. The background features the Dreambound Bookstore logo and a tagline: 'Join our reading community today and step into a world built from stories.'

2.3 Forgot Password

Users can enter their registered email address to retrieve their password.

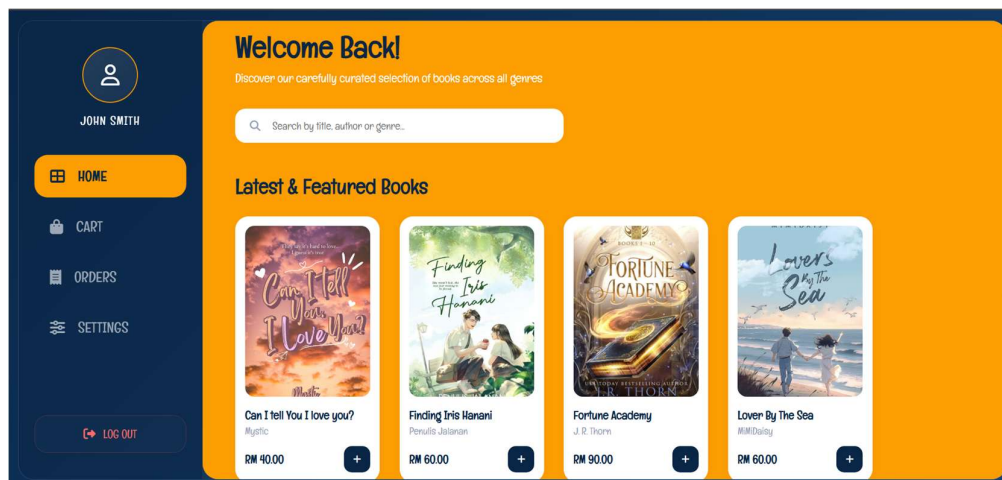

The screenshot shows the 'Forgot password?' form on the Dreambound Bookstore website. The form is titled 'Forgot password?' and includes a sub-header: 'No worries! Enter your registered email and we'll send you a reset link.' Below the sub-header is a text input field labeled 'Enter your email address'. At the bottom of the form are two buttons: 'Cancel' and 'Send Reset Link'.

3.0 User Manual (Customer)

3.1 Customer homepage

Once logged in, you will land on the Home page, which displays all available books as picture cards.

- Use the search bar at the top to type a book title, author name, or genre the list will filter instantly as you type.
- Click on any book cover or its title to open a detailed pop-up window with more information.
- Inside the pop-up, you will see two tabs: Details (description and price) and Reviews (what other customers think).

3.2 Modal popup

3.2.1 Buy now or adding to cart

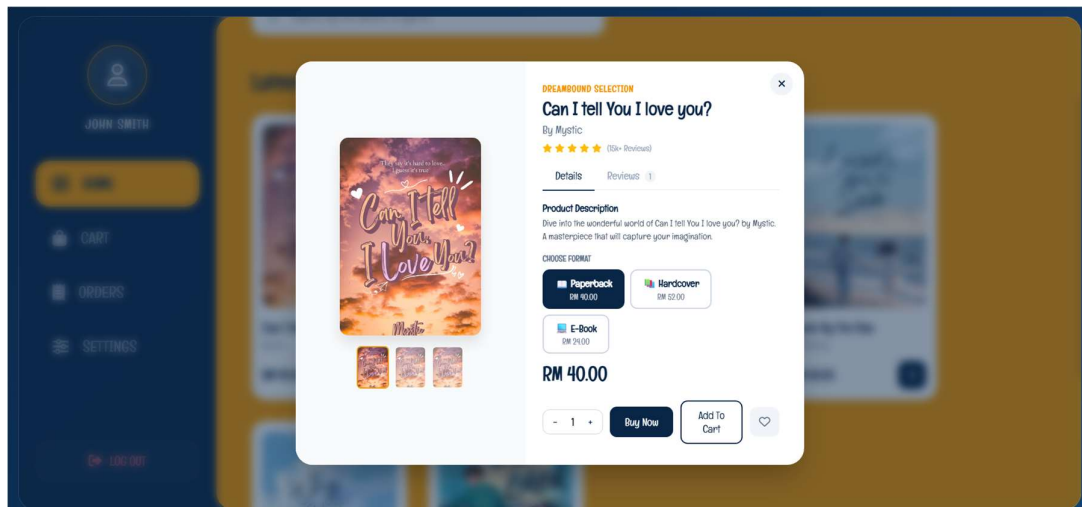

1. Open a book by clicking on it.
2. In the Details tab, click on Paperback, Hardcover, or E-Book to choose the format you want, then the price will update automatically.

Most books are available in three formats, each with its own price:

Format	Icon	Typical Price Difference
Paperback	Book icon	Standard price
Hardcover	Books icon	Slightly higher price
E-Book	Laptop icon	Lower price (digital copy)

3. Use the + and – buttons to set how many copies you want.

Click "Add To Cart" to save it for later, or "Buy Now" to go straight to checkout

3.2.1 Reviews tab

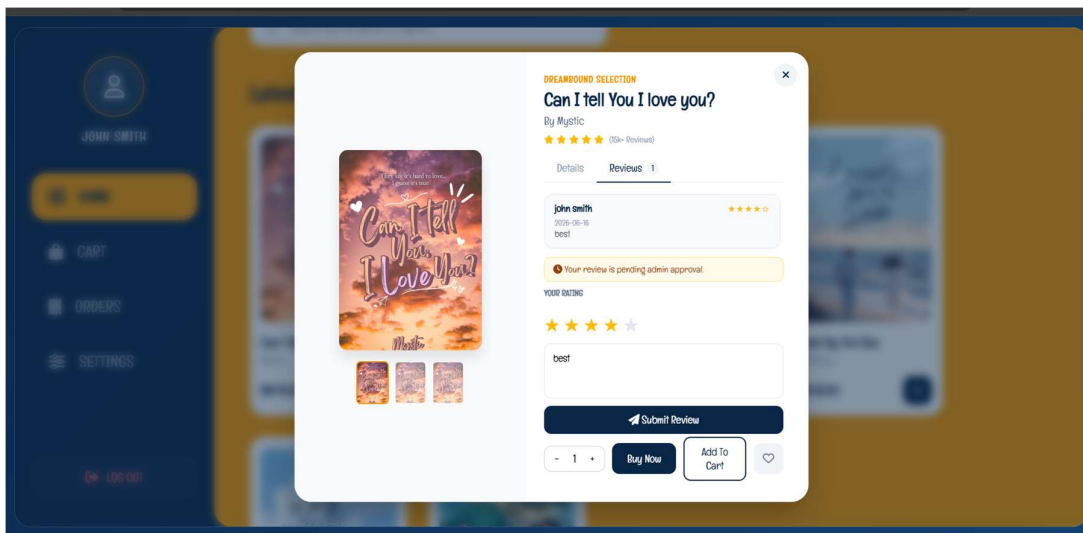

You can share your thoughts about any book you have read.

1. Open the book you want to review and click the "Reviews" tab.
2. Scroll down to the "Your Rating" section.
3. Click on the stars to give a rating from 1 to 5.
4. Type your comment in the text box.
5. Click "Submit Review".

IMPORTANT

- Your review will not appear immediately. It needs to be approved by the store admin first. You will see a message saying "Your review is pending admin approval."

If you already submitted a review for a book before, opening the Reviews tab again will show your previous rating and comment so you can update it.

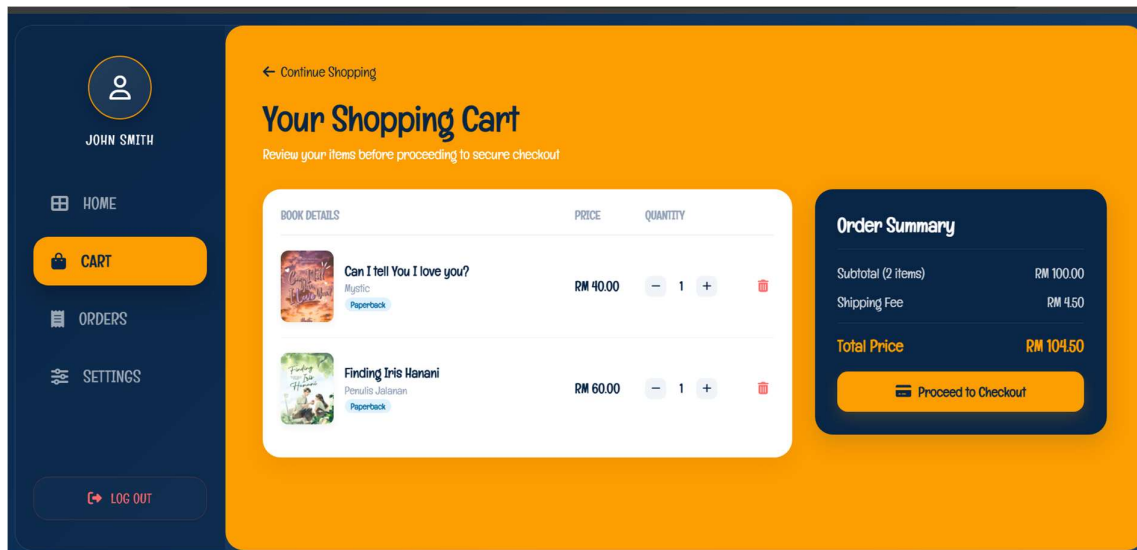

3.3 Customer's shopping cart

Click "CART" on the left-hand menu to see everything you have added.

- Each item shows the book cover, title, author, and a colour badge showing the format (blue = Paperback, yellow = Hardcover, green = E-Book).
- Use the + and – buttons next to each item to change the quantity.
- Click the trash/remove icon to delete an item from your cart completely.
- Enter voucher if you have any voucher that can be redeem.
- Your subtotal updates automatically as you make changes.

When you are happy with your cart, click the "Checkout" button at the bottom.

3.4 Customer's shopping checkout

3.4.1 Checkout with Card payment (first way)

After inserted all required information, customers can choose card payment as the payment method and insert all required information.

The screenshot shows a checkout page titled "CHECKOUT" with a "Back to Cart" link. The form is divided into two main sections. The left section contains fields for "First Name" (john), "Last Name" (smith), "Email" (john@gmail.com), "Phone Number" (029156789), "State" (Kedah), "City" (Kota Bharu), "Postcode" (12200), "Shipping Zone" (Semenanjung), and "Payment Method" (Card Payment). The right section shows "Your Cart (1 item)" with a book titled "Can I tell You I love you?" priced at RM 40.00. Below the cart, the "Subtotal" is RM 40.00, "Shipping" is RM 4.50, and the "Total" is RM 44.50. There is a field for "Have a voucher?" and a "PLACE ORDER" button.

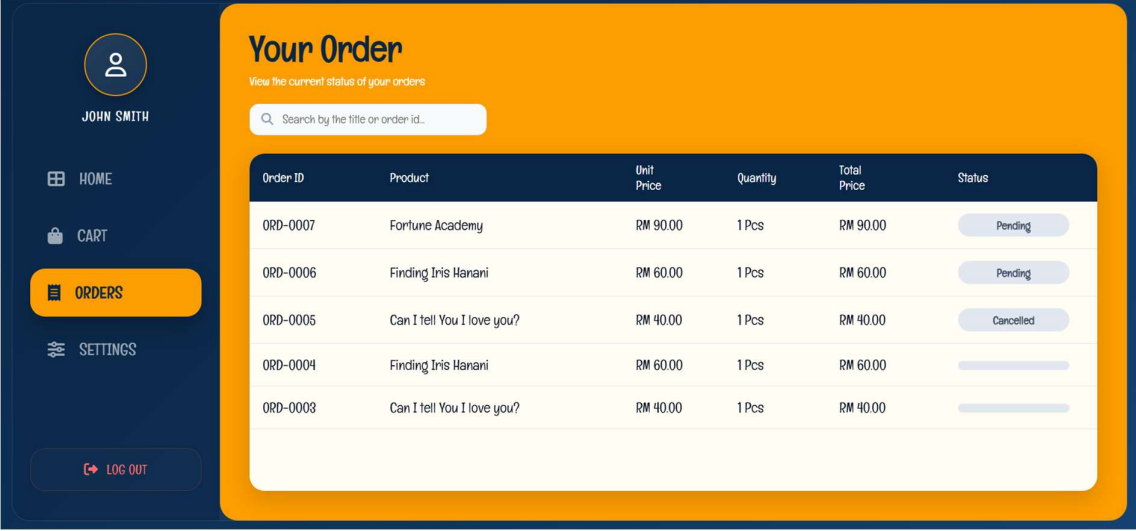

3.4.2 Checkout with QR payment (second way)

Customer can also pay with QR payment which they need to scan the QR code and pay.

The screenshot shows the same checkout page as before, but with a "Scan to Pay" modal overlay. The modal displays a QR code and a green button that says "Done - I've Paid". The background form is dimmed, showing the same fields as in the previous screenshot. The "Payment Method" is now "QR Payment". The "Total" is still RM 44.50.

3.5 Customer's order list

This interface will display all books that have been bought and they can view their status.

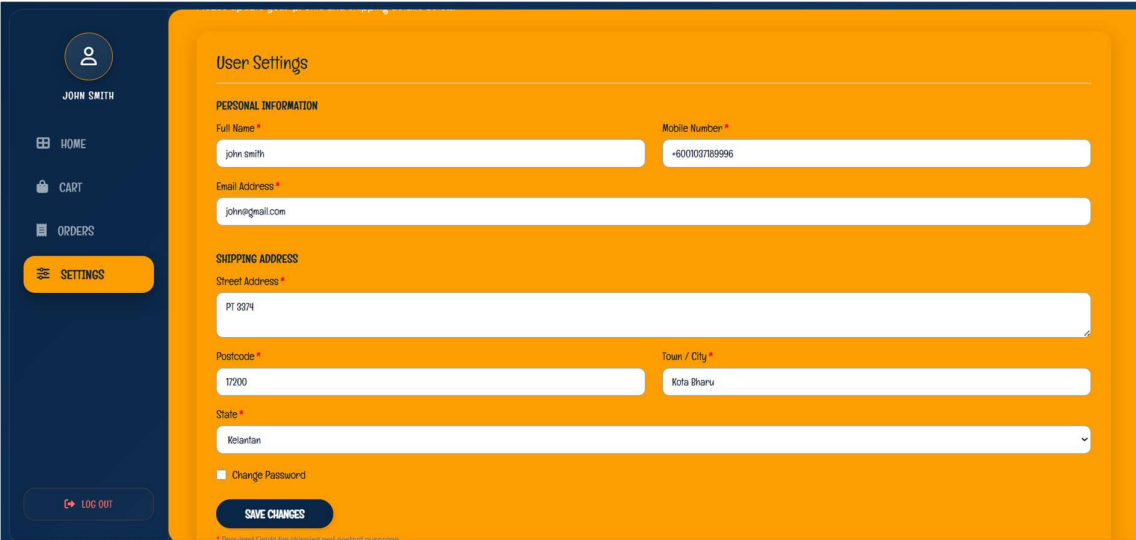

The screenshot shows a user interface for viewing orders. On the left is a dark blue sidebar with a user profile icon and name 'JOHN SMITH', and navigation links for HOME, CART, ORDERS (highlighted), and SETTINGS. At the bottom of the sidebar is a 'LOG OUT' button. The main content area has an orange header with the title 'Your Order' and a subtitle 'View the current status of your orders'. Below the header is a search bar with the placeholder text 'Search by the title or order id...'. The main area contains a table with the following data:

At the bottom of the settings area is a 'Change Password' checkbox and a 'SAVE CHANGES' button.

4.0 User Manual (Admin)

4.1 Admin's Dashboard

The Dashboard gives you a complete overview of your store at a glance:

- Sales summary — total orders, total revenue, total customers, and total books
- Low stock alerts — any book with fewer than 10 copies left is highlighted so you know to restock
- Sales chart — a visual bar chart showing your top-selling books
- Active vouchers — a list of all currently active discount codes
- Staff accounts — a list of staff members with access to the system
- Pending reviews — customer reviews waiting for your approval
- Live activity log — a real-time terminal showing every action happening on the store (new orders, registrations, etc.), updating automatically every 5 seconds

Managing Vouchers

Adding a New Voucher

1. On the Dashboard, find the Vouchers section.
2. Enter a voucher code (e.g. SAVE10).
3. Choose the discount type: Percentage (%) or Flat Amount (RM).
4. Enter the discount value.
5. Click "Add Voucher".

Customers can now enter this code at checkout to receive the discount automatically.

Deactivating a Voucher

Click "Deactivate" next to any voucher in the list. It will no longer work for customers, but its history is kept for your records.

Staff Accounts

Adding Staff Accounts

1. Go to "Settings" from the admin menu.
2. Find the "Add Staff" section.
3. Fill in their name, email, and a temporary password.
4. Click "Add Staff", they can now log in with their own account

The screenshot displays the Dreambound Admin Portal dashboard. The left sidebar contains the following menu items: DREAMBOUND BOOKSTORE, ADMIN PORTAL FAITHAH DUCREH, DASHBOARD STATUS (highlighted), ORDER INFORMATION, MANAGE BOOK, CUSTOMER INFORMATION, and SETTING. The main content area is divided into several sections:

- Weekly Sales Analytics Trend:** A line chart showing sales trends over time with four data points labeled RM10.0k, RM10.2k, RM10.3k, and RM10.5k.
- Monthly Sales KPI Target:** A progress bar showing 'Target Reach Achievement (4%)' with a value of 'RM 56150 generated out of RM 15,000 corporate store objective'.
- Coupon & Marketing Voucher Tool:** A form to create vouchers with fields for 'Enter Voucher Code (e.g. RAY120)', 'Select Discount Type' (set to 'Discount Percentage'), and a 'Generate Promotion' button. Below the form, two active vouchers are listed: 'DREAMS - 5.00% off' and 'BOOKWORM10 - RM10.00 off', both marked as 'Active'.
- System Staff Roles & Access Authorization:** A form to add staff with fields for 'Full Name', 'Email Address (e.g. staff@dreambound.com)', 'Contact Number', and 'Create Access Password'. It also includes an 'Assign Role' dropdown menu (set to 'Stock Clerk') and an 'Authorize New Member' button.

Approving or Removing Reviews

All customer reviews are held for approval before appearing on the website. This helps you keep the reviews section clean and appropriate.

1. On the Dashboard, scroll to the "Pending Reviews" section.
2. Read the customer's rating and comment.
3. Click "Approve" to publish it — it will now be visible to all customers viewing that book.
4. Click "Delete" to remove it permanently if it is inappropriate or spam.

The screenshot displays the Dreambound Admin Portal dashboard. On the left is a dark blue sidebar with the Dreambound logo and navigation links: DASHBOARD STATUS, ORDER INFORMATION, MANAGE BOOK, CUSTOMER INFORMATION, and SETTING. A LOG OUT button is at the bottom. The main content area has an orange header and contains several sections:
